SUMMARY

UI Designer with 2+ years of experience designing responsive, scalable web and mobile applications at ABC Programmers. Skilled in Figma, user flows, and design systems, with a strong focus on clean, accessible interfaces. Previous experience in customer-facing and digital service roles adds a user-centered perspective to my design approach, particularly for fintech and SaaS products.

EXPERIENCE

UI Designer – ABC Programmers | Aug 2023 – Present

Designing responsive, user-friendly interfaces for web and mobile apps in Figma.

- Build and maintain design systems to improve consistency across projects.
- Deliver wireframes and prototypes that speed up development handoff.

Sales Associate – The Department Store (Cozmo) | Jan 2023 – Jul 2023

Provided customer support in retail operations, assisting with product selection, handling payments and returns, and maintaining store presentation.

Customer Service Intern – Jordanian Electric Power Company (JEPCO) | Oct 2022 – Nov 2022

Engaged with customers by conducting satisfaction surveys, introducing the JEPCO mobile app, and guiding users through its features to encourage adoption.

Data Entry Intern – Ministry of Digital Economy & Entrepreneurship | Apr 2022 – Jun 2022

Assisted citizens with the **Sanad e-government app**, verifying personal data, activating digital IDs, and guiding users on accessing government services and benefits online.
